ADVENTUROUS,
camp zones!

Yum Yum Culinary Fun

This is your young camper's big chance to exercise their budding culinary genius in our kid-friendly kitchen. Campers will explore the fun and creative side of cooking as they practice measuring and mixing nutrient rich ingredients to bake. Additionally, your child will refine valuable washing and cutting skills as they prepare food to enjoy as a community.

ENRICHMENT base camp zones

Sports/Fitness/Games

Fun and energetic team sports and games will get your child happily moving. Our rousing variety of individual and team sports and games appeal to every youngster. More than fun, kids refine motor skills, body awareness, and hand-eye coordination while tackling life-long leadership skills and all-important team-building.

Arts & Crafts

Young imaginations are freed to soar while dabbling in paint, blending textures, developing patterns, creating recycled art and experimenting with paper maché. Campers engage in intricate weaving of a variety of elements, explore the world of beads, mold clay, and find inspiration in nature. Every child is sure to have fun while unleashing his/her inner creativity.

Music

Inspired by appealing rhythms, little bodies revel in the discovery of musicality and innate grace through *Eurhythmics* and dance. The fundamentals of musicianship, tone recognition, the dynamics of volume, and following conductor cues are learned. Guided by our specialist, campers explore a variety of musical instruments and study their origin.

ENRICHMENT base camp zones

Drama

Through dramatic play, campers build self-esteem, confidence, leadership skills and creative thinking. Vibrant dramas transport campers to far away exotic lands, providing them with adventurous parts to play, friendly characters and imaginary animals to portray and striking scenes to create. This summer, let it take center stage!

base camp zones

Creations with Ceramics

Clay is an endlessly versatile art medium! Campers will create delightful sculptures, beads, usable cups or plates and more using hand building techniques – coil, slab, pinch, press molding and slip casting. They will explore fired and non-fired clays, white and terra cotta clay bodies and various air dried and kiln fired finishes including underglaze, oxides, glaze and paint. Instructor Liz Gasper loves working creatively with children and is a founder of Kent Kids' Arts Day. **\$210/\$245**

Farm Adventures

DIG IN! at Oxbow Farm. Campers will spend the week digging into real farm projects and enjoying the summer bounty as they harvest and prepare healthy snacks! They will investigate living soil where organic farming begins and explore the important links between a healthy natural environment and a robust organic farm. Additionally, campers will get to know the wild animals who can be both helpers and pests on the farm. They will get creative by working on their own garden plot as well as design a mini farm to take home. To end the week, each camper will bring the harvest home with a camper-led farmer's market where families can shop for free. Children will be transported by bus to Oxbow Farm. Living Montessori will provide a sack lunch for all campers. **\$350/\$405**

SPECIALTY camps

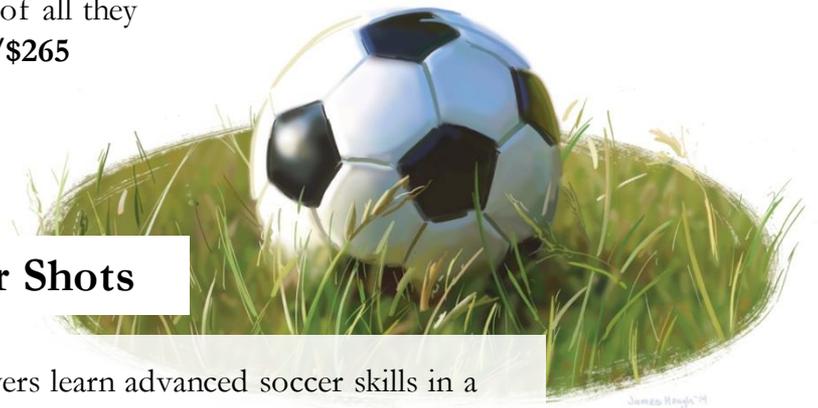

SPECIALTY camps

Dance

This camp brings to life a combination of genres of dance including ballet, jazz, basic tumbling and hip hop. Campers learn to translate music into appropriate execution of rhythmic movement and expand their vocabulary. Inspired by the variety in dance, campers engage in self-expression, build concentration and coordination and discover their talents. Most of all they leave asking for more. **\$230/\$265**

Soccer Shots

Little players learn advanced soccer skills in a fun, safe, and engaging environment . Each day includes a soccer craft and a soccer lesson. This summer's focus is on the FIFA Confederations Cup, which is a major international soccer tournament hosted by Russia this year. Our players will learn about the players, the countries, and the rules that make this tournament so special. **\$220/\$255**

Mandarin

Let's go to the Night Market! This year campers will be exploring the language of Mandarin by immersing themselves in cultural activities through “trips” to various Chinese Night Markets. Each market is packed with yummy street food, live shows and interesting shops. While at the market, campers will play games, do arts and crafts, act out skits, and sing. Each day campers build listening and speaking skills, develop language-learning strategies, and broaden their understanding of the Mandarin language in fun contexts. **\$210/\$245**

Culinary

Let your budding chef develop their culinary skills and boost their kitchen confidence in a fun, supportive environment! We'll celebrate summer in the kitchen with a new theme each day, incorporating basic culinary skills and vocabulary as we go. Our themes will be: Summer Baking, Tea Party, Eating a Rainbow, Resourcefulness in the Kitchen, and Magical Kitchen Potions. All food will be organic whenever possible and camp will end with a homemade ice cream party! **\$250/\$290**

SPECIALTY camps

Intro to STEM with LEGO

Tap into your imagination with tens of thousands of LEGO®! Build engineer-designed projects such as Boats, Snowmobiles, Catapults, and Merry-Go-Rounds. Then use special pieces to create your own unique design! New and returning students can explore the endless creative possibilities of the LEGO® building system with the guidance of an experienced Play-Well instructor. There is no prerequisite for this course. **\$230/\$265**

SPECIALTY camps

Swimming

Campers are transported by bus to the Bellevue Family YMCA. YMCA swimming lessons build self-confidence and can lead to a lifetime of water enjoyment. Whether they are fearful waders or swim team members, trained swim instructors will make swimming fun for all participants by providing a positive, caring environment with plenty of encouragement. Campers will learn a number of strokes as well as basic water safety. Instructors will assist in the step by step process of stroke development as well as water conditioning. Progressive lessons start children at their own level and build upon their capabilities with technique instruction, games and lots of practice. **\$260/\$300**

Morning Montessori Primary Summer School (*Pre/K levels*)

Students take on Language Arts, Zoology, Practical Life skills, Science, Art, Mathematics, Reader's Workshop and Music/Movement. Guided by our Montessori Certified teachers, children work at their own pace with individualized lessons and group activities. In the afternoon students may join the Enrichment Base Camps. **\$2,371/\$745**
